

VILLAGE CANDIDATES FILE PETITIONS WITH CLERK ISAACS TUES.

J. E. Brook, for Treasurer,
Files Separate
Petition.

FIVE CANDIDATES ON TICKET

A petition filed with Village Clerk, Harry A. Isaacs, Tuesday bears the names of E. O. Hawkins, Roy L. Murrie and H. J. Vos as candidates for village trustees and Harry A. Isaacs for village clerk, all for full term, two years. The ticket is designated as the People's.

A separate petition for J. E. Brook for village treasurer was also filed this week with the village clerk. Mr. Brook is also a People's candidate.

It is not known at this time whether or not a second ticket will be placed in the field or not, although there is yet ample time for another set of candidates to get into the race as the last day for filing is Monday, April 2, before midnight.

Allendale Cagers Win 19 Games Out of 21

Allendale basketball teams closed their season last week with a total of nineteen wins in twenty-one games. The two losses occurred on the home floor, one to Libertyville H. S. in an overtime game, 17 to 16, after Allendale had defeated the same team at Libertyville a few weeks before by a 14 to 9 score. The second loss was to Antioch H. S. by a 15 to 14 score. Allendale had previously defeated the Antioch lads three times this season. The total points scored by Allendale was 480, against 254 by their opponents.

This year's team averaged about 118 lbs., and was composed of Meyers, Wittkind and Schneider, forwards, O'Connor, center, Collins, George and Faklar, guards and Fuchs and Tyding reserve substitutes.

The speed, teamwork and passing of this year's squad is the best that has represented Allendale in the past few years.

Holy Name Church of Libertyville, Waukegan High School Freshmen, Antioch and Libertyville and Waukegan Aces furnished the best games. The scores of all games played were as follows:

- ALLENDALE FIRST TEAM**
Allendale 22, Antioch H. S. 11.
(Practice.)
Allendale 30, Lake Bluff 2.
Allendale 18, Antioch H. S. 14.
Allendale 32, Todd School of Woodstock 4.
Allendale 35, Lake Villa Ramblers 19.
Allendale 34, Grayslake 14.
Allendale 39, Lake Bluff 16.
Allendale 21, Antioch H. S. 16.
Allendale 14, Libertyville H. S. 9.
Allendale 23, Waukegan H. S. Freshmen 8.
Allendale 24, Waukegan H. S. Freshmen 10.
Allendale 14, Antioch H. S. 15.
Allendale 36, Holy Name Church, Libertyville, 25.
Allendale 32, Waukegan Aces 28.
Allendale 16, Libertyville H. S. 17.
(Overtime.)
Allendale 28, Holy Name Church, Libertyville, 15.

- ALLENDALE RESERVES**
Allendale 18, Antioch H. S. Reserves 3.
Allendale 11, Antioch H. S. Reserves 8.

- ALLENDALE 85 POUND TEAM**
Allendale 13, Todd School of Woodstock 8.
Allendale 12, Grayslake Grade School 6.
Allendale 8, Antioch Grade School 0.

Some fifteen baseball players are rounding themselves into shape to make bids for places on the "regulars" this season. The prospects for this season are about the same as last year, which means a fairly good team.

In a "Free Throw" tournament just completed, among all boys in the school, Fred Escherich scored 36 baskets out of a possible fifty. Wilson George and Arthur Burgess each scored 35 and Steve Faklar 34. Howard Miller of the Sixth grade made 26, for high score in his class. Faklar is in the Seventh grade and Burgess in the Eighth. George and Escherich are Ninth graders.

William Dregar won the marble championship of the school in an elimination contest held in the Allendale gym. Thirty-four of the best players took part in the contest. Tom Dalton and William Dregar tied for honors of knocking the most out of the ring in one turn, with nine each. Tony Fasel and William Dregar also tied for honors of knocking the most out in one shot with three each.

For Better Government

Louis L. Emmerson, candidate for governor, who points out that with \$80,000,000 available for road construction last year, only 523 miles of roads were built. Len Small, also candidate for governor, has promised about 1400 miles of roads for this year. Why? Let your conscience be your guide on April 10th.

Mr. Emmerson believes that roads should be built in the interest of the public good, and not in payment of political debts or for the purpose of influencing voters.

Emmerson stands for clean government. As secretary of state he has given courteous, efficient service. Now he wishes to turn over the duties of that office to William J. Stratton, who will undoubtedly win over the Small-Thompson candidate at the primaries.

High and Grade School Elections Add to List of April Polling Days

Adding to the long list of April elections are two school elections to be held in Antioch on Saturday, April 14, at which time two directors and a president are to be chosen for the grade school board, District 24, and two members are to be elected to the high school board of education. Voting hours are to be from 12 noon until 7 p. m.

GEO. GOLLWITZER UNDERGOES OPERATION FOR APPENDICITIS

George Gollwitzer was taken to Chicago Thursday where he was operated on for appendicitis. He was taken suddenly ill Wednesday evening and the doctors here who attended him said his need for an operation was imperative. Mrs. Gollwitzer accompanied him to the hospital. At this writing Mr. Gollwitzer is improving rapidly.

House Cleaning Time

To the Women Voters of the Republican Party of Illinois.

Len Small has been Governor of Illinois for eight years, up a powerful political machine which has invaded every branch of the State Government. He has made a combination with William Hale Thompson, Mayor of Chicago, to assist him to make this political machine stronger, and the control of all public affairs of Illinois more completely within his power.

Frank L. Smith, candidate for United States Senator is part of this Small, Thompson machine. This sort of combination is recognized as destructive of Republican government. It must be broken up. The People must rule. If we, as Republicans, do not assert ourselves at the primaries on April 10th, nominate a new slate of candidates and clean house, our friends, the Democrats, will clean house for us at the fall election.

As Republicans, we can not deny that Small has used the roads for patronage, nor that he returned \$600,000.00 of interest money, which our Supreme Court found he had illegally retained.

That Frank L. Smith has twice been denied the oath of office by the United States Senate, for alleged corrupt practices in his 1924 primary campaign.

We must clean house. The time for the house cleaning is set for April 10, 1928. The Place, your Polling Place. The hour, all day from 7 a. m. to 5 p. m.

The men who can win at this fall election—

Louis L. Emmerson for Governor.
Oscar E. Carlstrom for Attorney General.
Otis F. Glenn for United States Senator.
William J. Stratton for Secretary of State.

Right now the Republican Party of the United States needs Illinois, and Illinois needs Emmerson. We can win with Emmerson. Vote on April 10th, and help the men of Illinois to CLEAN HOUSE.

Vote for EMMERSON, CARLSTROM, GLENN and STRATTON. The People must rule.

ANNUAL ELECTION AND TOWN MEETING TO BE HELD TUESDAY

Three Incumbents Make Up
Slate of Township
Candidates.

Don't forget to vote next Tuesday. That's the date of the annual election and town meeting for Antioch township as well as for the other townships of Lake county.

But three incumbents make up the slate of aspirants for office—C. F. Richards, clerk; Frank Dunn, highway commissioner, and Harold Gelstrup, assessor; who now hold the offices named and are candidates for re-election.

Voters of the first precinct will mark their ballots at the James building on Orchard street, and second precinct citizens will do their voting at the Village hall, which is also designated as the place for the annual town meeting which is to be held at two o'clock, at which time reports of township officers will be heard and the appropriation of money to defray the necessary expenses of the town will be made.

Seven Candidates in Lake Villa
Two contested offices in Lake Villa township will feature the annual election there next Tuesday when five officers are to be elected.

C. H. Stratton is unopposed for the supervisor post, which he has held very satisfactorily for many years. Mr. Stratton is a brother of William J. Stratton, Lake County man who is candidate for secretary of state.

E. A. Wilton, present assessor, is unopposed for re-election to that office, and Albert Kapelle is the lone candidate for town clerk. Both have very creditable records as town officials.

One of the contests is for the office of highway commissioner, which is sought by George McCredie, present incumbent, and B. J. Galiger. Friends of the pair are predicting a very even race. McCredie is a resident of the eastern part of the township while Galiger hails from the west.

Sidney Dibble and Charles Pester are named on the ballots as candidates for constable, one to elect.

Little Girl Is Dead

After Short Illness

Edith Louise Petersen, seven year old daughter of Mr. and Mrs. Petersen died at her home Tuesday, March 27, after an illness of only twenty-four hours.

Edith was born in Lake Villa on November 9, 1921, moved here with her parents two months ago and was in the primary class at school. She leaves to mourn her absence, her parents, 2 brothers, grandparents, 1 great grandmother and a host of friends.

Funeral services will be held Saturday afternoon at two o'clock with Rev. A. M. Krahl officiating. Burial will be made at Hillside cemetery.

Guest Invitation

Mr. and Mrs. W. J. Huber, Antioch, Mr. and Mrs. Fred Cribb, Route 1, Mrs. H. J. Banks and guest, Route 2, Mr. and Mrs. Chas. Miller, Route 3, and A. C. Kanthack of Ingleside are invited to witness "The Leopard Lady" on Tuesday evening, April 3, at the Crystal theatre. This is your ticket. Free tickets for guests are published in this space each week.

Annual School Fair at Libertyville Holds Interesting Exhibit

The annual school fair was held at Libertyville on Saturday, March 24. An interesting program was presented by the children of the various Lake County schools. Seven boys, Harold Nelson, John Brogan, Gracia Lasco, John Murrie, Robert Kling, Robert Dixon and Leonard Krahl of the seventh and eighth grades of the Antioch Grade School, under the direction of Miss Patterson, in a very pleasing manner rendered two selections, "America For Me" and "Hells Of The Sea." Dan Williams was supposed to sing with the boys but was unable to go on account of illness.

Mr. W. L. Finley, well known naturalist, gave an illustrated lecture on Alaska. He pictured both the humorous and perilous side of a naturalist's life.

Many interesting school projects were on exhibit, among them being a diagram of the development of our Lake County schools and the many means of shelter used by other people of the world. Several prizes were awarded. The grand prize was taken by an Indian pueblo village. A circus project worked out by the first and second grades of the Antioch Grade School was awarded the second prize.

WHO IS THE BANKER ON SMALL PAYROLL?

The report has been current in Woodstock and other parts of the county the past week that a wealthy McHenry county banker is drawing the very beneficial salary of \$250.00 per month as a pay-roller under the Small administration and for which, so far as anyone has been able to learn, doesn't even draw a lone breath in performing the arduous task of signing his name to the voucher that arrives promptly each month.

With taxes soaring to unheard of peaks and people generally complaining about the increase in taxes, this rumor, which seems well founded would indicate just where some of the money the people pay in taxes is going.

The Harvard Herald, in the recent issue explains about the salary of the aforesaid "banker pay-roller" but the name of the party is politely omitted, thus the suspicion naturally rests in Harvard. No doubt Editor Walsh has a reason for suppressing the name of the banker in this particular but in telling the story he might just as well have told the rest, no great amount of speculation is necessary to decide who the mysterious banker really is.

The name of the banker doesn't mean so much as the very essence of the fact that Small, the greatest payroll padder in the history of any state in his union, has betrayed the people by establishing everywhere and in every community needless "workless" pay-rollers in a tyrannical and despotic attempt to establish himself as Czar over the State of Illinois and the thousands of people residing herein.

Time to observe where you place the mark in the square on April 10. Your weapon is the ballot, use it effectively. Let's get state government down to a liveable average. Vote for Emmerson and note the results. You may be advised to not change horses in the middle of the stream but when the old horse is about to sink in midstream with its load of corruption, "workless pay-rollers," hangers-on, etc., a new mount with a clean saddle is a welcome friend in a time of need.—Woodstock News

Atwood Child Dies In Memorial Hospital

Lawrence Austin Atwood, small son of Mr. and Mrs. Charles Atwood of Channel Lake died in the Victory Memorial hospital at Waukegan on Monday, March 26, after a short illness. Pneumonia was the cause of his death.

Lawrence was born July 27, 1926, being only two years and eight months old at the time of his demise. He is survived by his parents and four little brothers and sisters. The funeral services were held Wednesday from the Strang Funeral Home with Rev. A. M. Krahl officiating. Interment was in the Hillside cemetery.

CHILD FALLS 26 FEET; NO SERIOUS INJURY

Robert, the 22-months old son of Mr. and Mrs. S. M. Wallace fell from the back porch of the home while playing Saturday, a distance of 26 feet. The child was severely bruised and received a few sprains of the legs and hips. The attending physician stated that the escape from serious injury was miraculous. At this time Robert is able to be up and walk around and is recovering nicely.

LICENSE DEADLINE WILL BE APRIL FIRST

According to information coming in to all sheriffs and police officers in this state, the deadline for all motorists to have auto licenses will be the first day of April. Motors running without license or lights will be closely checked, and those owners who are now without proper equipment had best take heed and get under the order.

Grass Lake Lotus Beds Are Coming Back, Is Report

It is thought that the Lotus beds at Grass Lake are making a comeback after several years' bad condition. Plunderers and high water have given the beds a severe setback, although the plants showed some indications of taking a new lease on life. People observing the beds in Grass Lake say that while the blooms were inferior last year, the leaves were strong. Today the patch is comparatively small, but residents in that region say that the beds have had setbacks before and they are optimistic in their belief that they will survive. A new bed has sprung up in Nippersink bay and another has appeared in Fox Lake near Crab Apple Island. Mrs. Louis H. Lemon of the Wild Flower Preservation Society of Illinois urges great care in the protection of these plants, and protection from the usual crowds that come from the city to gather the blooms.

Plan to Build Country Club Near Antioch

An organization of a country club for members of organized labor is being planned by officials of the federated trades groups of Chicago, to be built on a 100 acre tract near Antioch. It is also thought that the labor organizations of Waukegan will join in the movement.

More than 300 members of Chicago labor organizations have purchased home sites near the site of the new club building and near Antioch. Sponsors of the scheme to have labor meet socially declare it will help to bring the various labor elements together and iron out disputes of a belatedly called "jurisdictional disputes."

Governor Uses State Roads for Campaign Billboards

Emmerson Will Wind Up Campaign In Chicago.

Chicago, Illinois, March 28.—Although a few down-state meetings are being held this week, the "big three" on the Emmerson ticket—Louis L. Emmerson, candidate for Governor, Otis F. Glenn, candidate for United States Senator, Oscar Carlstrom, candidate for Attorney General—have practically completed their down-state tour. The remainder of the time between now and primary day, April 10, will be spent in Chicago.

The candidates came to Cook county flushed with successful meetings and pledges of support in every section of the down-state. Emmerson county managers in all of the down-state counties are predicting that he will come to the Cook county line on primary day with a majority of not less than 100,000, and many believe it will be much more than that.

Herrmann Deserts Chicago Mayor

The reception of Emmerson in Cook county indicates a general uprising of the people against machine politics, it is stated. Polls taken by Hearst newspapers, which are supporting Governor Small, show Emmerson in the lead in Chicago. There is general resentment against the deal made between Mayor Thompson and Governor Small, on the night of February 11, at Springfield, by which the mayor undertook to deliver Chicago bodily to the Governor. Some of Mayor Thompson's closest friends have deserted him and have openly joined the Emmerson forces. Among these is U. S. (Sport) Herrmann who has been one of the mayor's closest friends and advisors. Mr. Herrmann says he cannot for the life of him see how "Big Bill" ever could have made another deal with Len Small.

"It's beyond me," he continued, "I can't fathom nor reconcile it. How Bill Thompson could ever climb back on the wagon with the governor after the way Len Small double-crossed him is simply incredible to me."

So Mr. Herrmann is out strong for Emmerson.

High Taxes Cripple Small's Vote

Unfortunately for the Small ticket, the tax bills are just being delivered in Chicago and down-state cities. They show huge increases due largely to the Chicago bond bills which were forced through the legislature by Governor Small as a part of his effort to secure the support of Thompson. Increases in taxes in Chicago run as high as 50 per cent.

Coming on top of Mr. Emmerson's (Continued on Page Eight)

Tax Payers Hard Hit By Len Small Regime

Tax bills now going out in Illinois are causing a loud and very justified protest from tax-payers are reported to be fifty per cent. In numerous instances taxes are reported to be fifty per cent higher than in previous years. Why shouldn't taxes be higher, with approximately \$6,000,000 added to the state's expenses during the last two years to pay Small's appointees.

One radical Lake county newspaper is conducting a very bitter campaign against those who favor "Lou" Emmerson for governor. According to that newspaper's editorial utterances almost everyone who is opposed to Len is either a hanger on or else is seeking a job with the Emmerson administration when the Secretary of State moves over into the governor's office at Springfield. Perhaps the real reason the radical newspaper is supporting Small is the fact that the editor of that paper now holds a job with the state and to lose it means a loss of salary for the next four years, probably amounting to \$12,000 or \$15,000. So the editor and the radical newspaper are supporting Small, the selfsame Len, who has a reputation of being a maker of jobs, padder of payrolls, plunderer of state interest money, desecrator of public highways and public grounds with signs on which pictures of himself appear, promoter of promisers and underlying and tool of "America First" Thompson.

LADIES AID TO

HOLD BAKERY SALE

The Ladies Aid of the Methodist church will hold a Bakery sale in the window of the Book and Sabin store Saturday, March 31, beginning at 10 a. m. Come in and purchase pastry for your Sunday dinner.

Rev. H. Campbell Dixon went to Kenosha last night to participate in the Passion Week services held at the St. Matthew's Episcopal church. Rev. Dixon was the special minister at this service and his topic was "Antioch of Syria and Christ."

Mr. and Mrs. Otto Klass and children spent Sunday with Mr. and Mrs. Lailiver Laseo of near town. On the way out Mr. Klass got off the main road and became stuck in the mud. They left the car and went on to the house, a distance of 100 feet, where they obtained the services of a man with a tractor and were pulled out. Mr. Klass says that if it hadn't been for the running boards of the car that it would have sunk out of sight, the roads apparently being bottomless.

Lester Nixon of Illinois Wesleyan witnessed the semi-finals and finals at Champaign last Thursday and Saturday for the Illinois championship of Basketball. A few excerpts of a letter written home are as follows:

"Thursday at Champaign we saw every team in action and really, Antioch could beat at least five of them. Canton deserves the championship, they played great ball. N. Aurora was rotten. I can imagine them beating Waukegan. I have marked the 2nd and 1st All-State teams and none of the men were as good as Spicer, but Connel and Dixon of Streator. They were the two best men I have seen. Otherwise Spicer was by far better than anyone else."

The above letter should make Antioch feel even more keenly the disappointment at being "jipped" at the Waukegan Tournament.

KENOSHA—A robbery committed by kids at the Southwest Lumber company took place Sunday night. They secured only \$9.51 and it is believed that they were incensed because of the small amount of cash taken and proceeded to wreck the office. The burglars had taken several cans of shingle stain from shelves and spilled it over the desk and doors.

PALATINE—The smallest baby Grand piano ever made has been manufactured in Palatine by Albert Collington, proprietor of the Palatine Dairy. Mr. Collington was connected with the Schulze Co. of Chicago, one of the largest piano manufacturers in the world, for twenty-one years as superintendent. He is recognized as an expert in Grand pianos. The model just completed is called the "marionette." It is only 4 feet wide with a 7 1/2 note scale and has great tonal depth and sufficient volume for any size room.

11:00 a. m.—Morning Prayer and Sermon.

Topic "The Triumphant Entry." Next Sunday will be Palm Sunday and will be celebrated at St. Ignace' Parish with the palms. Holy week kalendar as follows—Monday Thursday 8 p. m. Commemoration of the Institution of the Holy Eucharist. Good Friday Pro Anaphora Service before the Cross 12 noon to 3 p. m. Way of the Cross.

Holy Saturday church open all day for silent prayer and reparation. Easter Sunday Holy Communion at 7:30 a. m. and Holy Eucharist at 11 a. m. Children's Service of Flowers at 5:00 p. m. Holy Baptism will be administered to adults and children after the 11 o'clock service or the Children's Vesper Service at 5 p. m.

Any further questions as to appointments or services will be answered by the Pastor phone 115W. It is hoped that many will be baptized on Easter Sunday. Arrangements must be made with the Pastor beforehand.

Methodist Church Notes

Great Palm Sunday anthem "Fling Wide The Gates" is to be sung at the Methodist church next Sunday morning. The adult chorus choir augmented by several voices from among the younger set have been learning to master this for several weeks and will render it perfectly on this festive day. Mrs. Anna Heald Tarnow has volunteered to sing the Palms, that beautiful hymn known to all church-goers. With Mrs. Ziegler at the organ the service promises to be one of the best in the community, worth-while, helpful, exclusive of the preaching service which still hold first place in the Protestant church.

The public will appreciate learning that the two services, morning worship at 10:45 and evening service at 7:30 will be held in the main auditorium though the decorators have not completed their work.

During the Passion week Christian individuals will worship in the privacy of their closets but on Good Friday there will be a two hour service beginning at one o'clock, and ending at three. This service will be held in company with the folks from Lake Villa and Salem. Rev. McKelvey of Lake Villa and Rev. Monkman of Salem assisting. Four sermons will be preached around the general theme "The Seven Last Words From the Cross." Rev. Krahel of Antioch will speak first on, "A Wish and A Promise." Rev. McKelvey will speak on, "A Call to Mother and Father" and Rev. Monkman will speak on, "A Thirst Quenched" to be followed by Rev. Krahel on the "Surrender." Music will play a large part in this service. While the sermons have a bearing on

each other it need not necessarily follow the opportunity to worship low that all sermons must be heard to in part. Come when you can and go appreciate any, but rather the hope when you must, but come and share in that though some can not attend a part at least, in the slogan for the all the service they will avail them day.

RUTH CHINN CELEBRATES 11TH BIRTHDAY WITH PARTY

Little Miss Ruth Chinn celebrated her eleventh birthday Saturday with a party at her home on Victoria street. Fifteen guests were present and the afternoon was spent in playing games. Several prizes were awarded to the winners of the games. Table decorations carried out the Easter spirit and spring colors prevailed. Mrs. Chinn served lovely refreshments at five o'clock. A most enjoyable time was had by all the little guests and they departed at the close of the playtime. Whistling Ruth many more pleasant birthdays. Those present were: Yvonne Jensen, Jane Warriner, Dolores and Marion Blackman, Alice Jensen, Muriel Christian, Irene Chinn, Agnes Christensen, Helen Strang, Agnes Teckert, Adele Miller, Dorothy Monnier, Helen Hontetter, Marie Griffin, Opal Norman.

FRIENDS OF MRS. McMANUS GIVE SURPRISE FAREWELL

Mrs. J. N. Pachel and Mrs. H. B. Smith with a group of friends gathered at the Blue Willow Inn Thursday evening to give Mrs. Fred McManus a farewell party. The affair was entirely unexpected by Mrs. McManus, who leaves sometime this week for her new home in Wisconsin, where she and Mr. McManus have purchased property and will conduct an inn in that locality.

Several tables of five hundred composed the evening's entertainment. The first prize was won by Mr. and Mrs. Lynch, second by Mr. Brogan and Miss Pierce while the consolation prize was awarded to Mrs. Hunt and Mr. Stowe. Lovely refreshments were served with Father Veane of Milwaukee acting as toastmaster.

DAUGHTERS OF THE G. A. R. GIVE CARD PARTY

The Daughters of the G. A. R. gave a card party Monday evening at the Woodman hall. The attendance was not as large as was expected because of the inclement weather. One table of Bunco and four tables of "500" was run. Prizes were awarded to Mrs. Sina Laursen and Mrs. C. A. Powles, Wm. Ziegler and Matt Sorenson. Delicious refreshments were served.

WOMAN'S CLUB PLAN MEETING AT SIBLEY HOME

The Antioch Woman's club is planning a very interesting meeting to be held at the home of Mrs. Nasou Sibley next Monday afternoon at 2:30 o'clock. Invited guests are to be members of the Lake Villa and Fox Lake Woman's clubs. There will be a speaker for the afternoon, as well as local people who will appear on the program. Mrs. L. R. Mrs. Frank Dunn was hostess to a number of relatives and friends Sunday afternoon and evening, the occasion being the birthday of Mrs. Dunn. The time was passed in playing five hundred and at a late hour luncheon was served.

MR. AND MRS. HARRISON HAVE GUESTS FROM WOODSTOCK

Mr. and Mrs. Andrew Harrison were host and hostess at a dinner on Sunday for Mr. and Mrs. Roy Norton and little son of Woodstock.

THURSDAY "500" CLUB AT MRS. DUPRE'S TODAY

Mrs. Vincent Dupre is entertaining the Thursday "500" club at her home this afternoon.

LEGION AUXILIARY ENTERTAINED BY MISS WEBB

The Ladies Auxiliary of the American Legion was very pleasantly entertained by Miss Webb Friday evening.

The guests were asked by the hostess to come dressed or prepared to give a stunt representing their birthday month. Eighteen members were present and the costumes were clever and amusing, creating much hilarity. Prizes were awarded to the six best costumed members, chosen by a vote of the ones present. The winners were: Mrs. George Jensen as September, Mrs. Otto Klass as October, Mrs. Alice Rogan as April, Mrs. William White, Christmas, Mrs. S. M. Walence as January and Mrs. Ray Winfield as September.

Mrs. Otto Klass and Mrs. Paul Chase were awarded a prize as the best guessers in the contest. The surprise of the evening was that the day was Miss Webb's birthday and none of the guests were aware of that fact until Miss Webb appeared carrying a birthday cake adorned with candles.

This was the regular business meeting of the Auxiliary. The evening's program was musical and all the guests conceded that the time spent was one of the most enjoyable. Miss Webb served lovely refreshments at a late hour.

MRS. PAUL VIEZENS HOSTESS TO TUESDAY "500" CLUB

Mrs. Paul Viezens entertained the Tuesday "500" club at her home on Pikeville road. Prizes were won by Mrs. Gertrude Middendorf, Mrs. Nellie Hrogan and Mrs. Kate Dibble while the low prize went to Mrs. Anna Christiansen. After play refreshments were served by the hostess.

GRAYSLAKE — In a report received by the Fire Department of Grayslake from the State Fire association, this town is given a splendid rating in regard to fire losses, being one of the lowest in the state. Only two calls were made within the city limits during the year, and no loss was sustained at either place.

LAKE VILLA PLAY PROMISES MUCH LAUGHTER AND FUN

Well Known Resident of
Community Dies After
Long Illness.

More than at this wedding Lake Villa is being getting ready to present to the public the comedy farce "Womanhood's Wedding." The show is to be staged by Miss Edna Miller of the Rock Production Co. of Chicago and is under the auspices of the Ladies Aid society.

The show is opened by two little prologue girls in velvet page costumes. They are followed by the opening act a real "Kiddie Musical" with a little girl interpreter and a chorus of five children who sing like professionals. The balance of the show is the "Womanhood's Wedding" with an entire cast of local men. Some of our best lay aside all dignity for this occasion and assist in fun and frolic. The characters range from Uncle Sam and Aunt Mandy, Uncle John and Aunt Samantha, and the old maid Aunt Hilda to the modern man and woman. The show is a comedy of the highest order. Heretofore, the show has been a success. Every season it has been a success. Every season it has been a success.

Tickets for the show are 10c. The show will be given at the stable hall on April 24 at 8:15.

EMPTY GRAVES MARK END OF SEA TRAGEDY

Breton Widows Mourn for Their Men Folk.

Palmpot, Brittany, France.—Beside the small gray chapel overlooking the bleak little fishing town of Pors Even, not far from here, 28 empty graves were dug recently.

They will never be filled, but drab Brittany stones over them will attest one of the greatest sea tragedies in the history of that little hamlet and of Plozeze, its neighbor.

The story is the tale of Brittany's latest but not its worst sacrifice to the quest of fish, the very life and blood of these odd million fishermen who have followed the ways of their forefathers centuries in and centuries out.

In the village stone shop 28 slabs are being prepared, all inscribed alike, "Peri en Mer" (perished at sea). For the remaining citizens, the old men and the women and those too young to fight northern seas, at last have given up hope of ever seeing again their menfolk, the crew of the Bon-Avel, which sailed from the port of Palmpot some time ago.

Authorities Give Up.

The government marine authorities gave up a month ago. They wrote the name of the Bon-Avel on the roster of lost ships. Yet the good souls who live in the slate-roofed hamlets, and especially the widows of the crew that sailed away, were the last to give up hope.

Every day during the last few weeks, and sometimes all night, a handful of lace-capped women braved the terrific gales which beat the bare rock coast of this vicinity to assemble at "Widow's Cross," high on a hill overlooking the sea. And there, while the snow and sleet beat down upon them, they prayed for the return of their husbands and fathers and brothers.

At last they, too, have given up. And so they are admitting that the fate of the Bon-Avel must take its place in the long annals of Breton sea disasters which began when this hardy race first set out for distant Iceland and Newfoundland, long before Columbus ever went to sea.

After Big Game.

The Bon-Avel was but one of many ships which attempted to go after big game. And for a Breton there was big money in it. Immense schools of codfish are to be found off the banks of Greenland and Iceland. But the waters are dangerous. Ice floes and icebergs fill them and six days out of seven hang deep in fog.

The Bon-Avel, however, was undaunted. She was a three-masted schooner of 320 tons and had an auxiliary engine to boot. With a crew of 28 picked sailors she made her first trip in 1926. It was a huge success and she returned in September of that year loaded. Her owner fitted up three ships to accompany her the next year.

They set out February last for Iceland. They returned to Palmpot in May, unloaded, and set sail again this time for the east coast of Greenland. Once there they separated. For sev-

eral weeks no word came from the Bon-Avel. Then on July 19 the crew managed to have a wireless relayed here telling of 17,000 fish already in her hold.

Never Heard of Again.

She was never heard of again. The other ships returned, unloaded, and prepared to set out again. A month ago the marine authorities wrote her off their books. The folks at home are doing the same thing, though in a different way. Already the village newspapers are printing a public subscription, for none of the men left a son.

The experience, after all, was not a new one neither for Pors Even nor for Plozeze. The two towns counted already 19 widows and a half hundred orphans. And in the preceding centuries every town record shows a corresponding proportion. From the seamen's pension fund the widows will receive 1,200 francs a year each and the children 50 francs. And this, the folk assure, will tide them over until the kids are old enough to go to sea themselves.

Earth's Calculated Weight

The bureau of standards says that the result obtained by Dr. Paul R. Heyl in his experiment of weighing the earth is 5,972,000,000,000,000,000 tons.

Minute Weight

Doctor Kuhlmann of Hamburg succeeded in registering weights as low as one ten-millionth of a gramme.

Risen From the Sea

Japan and the Philippine Islands consist of mountain tops rising out of very great depths of the sea.

Usual Process Reversed

Cement bags are tied at the top first and filled from the bottom. They are then sewed shut.

Star-Gazing Fish

A curious fish which has eyes on the top of its head is known as the Star Gazer.

Sponge's Fertility

One of the sponges found in the Mediterranean has a unique feat. To ward the end of its existence it fills with gas and explodes itself. The fragments of the explosion form new sponges.

When Sea Gulls Rest

The biological survey says that in the majority of cases sea gulls roost on the water at night. In the winter if the water is frozen they go out on the ice quite a distance from the shore.

Important Announcement to every owner of a Model T Ford

ON MAY 23, 1927, when Henry Ford first announced his plans for making a new car, he announced also that he would continue to make parts for the Model T Ford. He said:

"The Model T Ford car was a pioneer. It blazed the way for the motor industry and started the movement for good roads everywhere. It broke down the barriers of distance in rural sections, brought people in these sections closer together, and placed education within the reach of everyone. We are still proud of the Model T Ford. If we were not, we would not have continued to make it so long."

For twenty years, the Model T Ford led the automobile industry and it still serves more people than any other automobile. Over one-third of all the automobiles in use today are Model T Fords—an indication of the sturdy worth of the car and its value to people in all walks of life the world over.

The Ford Motor Company will continue to make replacement parts for these cars "until the last Model T is off the road." That is a part of Ford service. That is what Henry Ford meant when he said: "We believe that when a man buys one of our cars we should keep it running for him as long as we can and at the lowest up-keep cost."

Because of this policy a considerable part of the Ford manufacturing plants is given over to the making of parts for the Model T Ford. These replacement parts are made of the same material and in the same way as those from which your car was originally assembled.

Make it a point, therefore, to see the nearest Ford dealer and have him look over your Model T Ford. You may find that a very small expenditure will enable you to get thousands of miles of additional service, and at the same time protect the money you have invested in your car.

Light up....for health!

AT STUDY and at play, children's eyes must be protected. They need enough light and the right kind of light. Gloom and glare are equally dangerous. Defective vision, aggravated by poor light, handicaps one-fourth of all the children in American schools. For your children's sake—and also for your own comfort and health—be sure the light is right.

Ray Paddock

Candidate For State Senator

asks that you give these facts concerning his life and activities earnest consideration when you visit the polls to vote on April 10, 1928.

He was born and grew to manhood on a farm in western Lake County.

He was educated in the Public Schools of Lake County and in the Northern Indiana Normal School at Valparaiso. He returned home at the age of seventeen and took over the management of a 240 acre farm and continued farming until eight years ago, when he rented his farm and moved to Waukegan. Since that time he has been engaged in real estate and is President of the Waukegan Trust and Savings Bank.

In the past he has been identified with every movement where the interests of the farmers of this locality were concerned. In 1909 when the order was sent from the Chicago Health Department to the effect that all milk coming into the Chicago market must be from cows that had successfully passed the Tuberculin Test, and without any provisions for indemnity for cattle lost and no assurance of an increased price for milk, with others interested he brought this matter to the attention of the dairymen through meetings held all over the district, which resulted in the formation of the Milk Producers' Association. From this Association a Committee was appointed, of which he was a member, and went to Springfield to get relief for our people. The result was that our mission was successful.

In an effort to get higher prices for our milk, he has stood shoulder to shoulder with his fellow dairymen for what they believed they were entitled to, and as a Director, he has done everything in his power to get better prices for our products. At the present time it is his belief that the farmer should receive more of an indemnity for cattle lost through the Test, it being his opinion that the farmer is bearing too heavy a share of the burden.

He became a member of the County Board in 1915 and has been Chairman of that body for three terms.

He has advocated and supported the Bond Issues that have made the present system of roads in Lake County possible.

While he was Chairman of the County Board, working with the Finance Committee, a Program of Economy was worked out and presented to the various County Officers which received their whole-hearted support, and resulted in saving Lake County approximately \$50,000.00 per year.

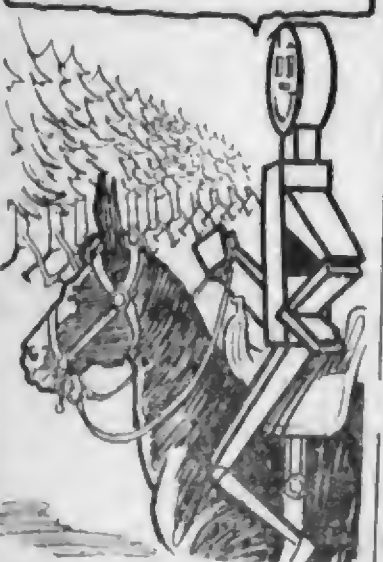

How Route 20, from Waukegan to Woodstock, came to be on the Sixty Million Dollar Bond Issue Program: The Bill, as presented, for passage, did not provide for this route. He discovered this on a certain Friday. The Bill was to go to second reading the following Wednesday. He arranged a joint meeting in Waukegan with the result that a Committee, including himself, went immediately to Springfield, and was successful in having the bill amended to include this important route. If this very prompt action had not been taken, this route would not be paved at the present time.

He has lent his best efforts to have Route 176 build at the earliest possible moment and has worked in conjunction with those from McHenry County and Lake County who are interested, with the result that bids have been received on this entire route and contracts will be awarded as soon as the necessary Right-of-way has been secured.

It has been his purpose as Supervisor to work for what he considered the best interests of Lake County. If permitted to serve as your State Senator, he will give the same earnest attention to the welfare of the District he represents.

SIREN OF FIRE DEPARTMENT BEING RAISED SIX FEET

Listening for the mid-day shriek of the siren of the local fire department and listening in vain for thirty minutes, revealed to the writer of this article that said siren had to be taken down for repairs on account of burnt out wiring and in replacing it the boys had decided to raise it six feet higher than the original position. It is now many feet above the highest buildings in Antioch and it won't be long until the ear splitting moan and wail will be heard even farther than it ever has been heard before.

Governor Len Small has seen to it that 75 Lake county people have been added to the state's payroll. McHenry county is said to have 39 who received salaries from the state. A six million dollar increase in salaries for state employees in two years is hitting a pretty fair rate. Let's all vote for Len, and perhaps we can get a job with nothing to do but endorse the pay check and work for Len.

Voters Turn to "Lou" As Small "Political" Machine Is Spotlighted

(Continued from first page)

pledge to reform the tax system of Illinois and to conduct the state government in such a way as to reduce expenditures, the increased tax bills have proved a powerful argument in favor of the nomination of Emmerson. Governor Small's greatest political asset, hard roads, has been discounted 100 per cent in the primary because everyone in Illinois knows that the original hard road system was designed under Governor Lowden with the assistance of Mr. Emmerson and they believe Emmerson's statement that he will build roads faster and more economically than they have been built under Small.

Resent Political Use of Roads
In his campaign Mr. Emmerson has shown that the governor, in using the roads for political purposes, built more than 1,200 miles of roads in 1924 when he was a candidate for re-election. This statement has been used so effectively that the governor's attempt to influence communities by holding road meetings during the campaign has reacted against him and aroused the strongest kind of resentment.

Government Made Subservient
The publicity methods pursued by

the governor also are having an undesirable effect. It is declared. The use of highway patrolmen by the governor to put up signs and placards all over the hard road system has been commented upon by so many newspapers that the signs are a constant reminder to the people who see them of the charges made by Mr. Emmerson that everything in the state government has been made subservient to selfish political use.

All of these things have contributed to making this one of the most remarkable and unusual state campaigns in the history of the state.

MRS. PACINI HURT IN FALL DOWN STAIRWAY

While cleaning down the stairway to the basement of her home Saturday morning, Mrs. J. Pacini became faint and fell to the bottom of the steps, receiving a severe shock and many bruises and scratches about the face and body. Mrs. Pacini has no recollection of how she happened to fall except that she became dizzy while at her work. She was confined to her bed for several days but is now able to be up.
